

Melton Community Safety and Empowerment Project

We empower the Melton community by providing free legal support and education, helping individuals navigate the legal system with confidence and understanding.

Live or work in Melton?

If you would like to know more about:

- How to deal with domestic or family violence
- What rights you have as a renter
- How to respond when you receive a fine
- What to do if you're stopped by police
- What to do when you are in a car accident

Contact us about **FREE** education sessions for individuals, community groups or at your workplace.

We also offer **FREE** development sessions for professionals such as teachers, social workers, and community development workers.
